

PRIVACY POLICY

Overview

This Privacy Policy describes the information collected by Apricot Sp. z o.o. (Limited Company) through our mobile applications and how we use that information.

Information that we collect

Information that we get about you from other services such as Google Analytics, Flurry, Google Play and others. This information includes:

- Device information - device-specific information such as your hardware model and operating system version. We DO NOT collect your unique identifier.
- Unique application numbers - certain services include a unique application number. This number and information about your installation (for example, the operating system type and application version number).
- Anonymous identifiers - we use anonymous identifiers when you interact with services, such as advertising services and others.

Personal information

We don't knowingly collect personal information from users. What more our mobile applications comply with the Children's Online Privacy Protection Act ("COPPA").

How we use information that we collect

We use the information that we collect from all of our applications to improve our applications and make it better for you. We may share aggregated, non-personally identifiable with our partners, such as publishers and advertisers. Our Privacy Policy may change from time to time. We will not reduce your rights under this Privacy Policy without your explicit consent. We will post any Privacy Policy changes on this site. If you have any questions - you can asked them via the contact form available on this site.
